No, we would jump to DC when Trump said... just like people are on the 6th.

If we actually believe Trump had no plan, why would we trust him to be President? Of course he has a plan. Whether it works, or when we see it, is a different issue.

Thinking there is a plan and showing up on the 6th aren't mutually exclusive. In fact, many think us showing up on the 6th is part of that plan.

The only reason the left gets results is because in the places they protest in the mayors are completely compliant and even encourage. What don't you people fucking understand about this shit?

.win isn't "Trust the plan." That's Q. And it seems like terrible fucking advice. Exactly what a psyop designed to keep people inactive would say.
